PLAN 3234A

HIGHLIGHTS OF THE CLAREMONT PLAN

The Claremont has charming exterior Craftsman style details and wonderful open spaces for entertaining. The open concept kitchen and living space opens to an outdoor living area at the rear of the home. The den on the main floor can be used as a 5th bedroom, conveniently located next to the ¾ bathroom. The upper floor offers 4 bedrooms with one being the luxurious master suite complete with his/hers walk-in closets and a spa-like master bath. Utility, bonus room, and full bath located upstairs as well.
